## STATEMENT SUPPORTING PETITION FOR REVIVAL OF PATENT ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. 1.137(B).

This statement is being filed in support of the Petition to Revive the above-referenced patent application ("the Application") under 37 C.F.R, 1.137(B).

- 1. I am an attorney at McDonnell Boehnen Hulbert & Berghoff LLP, current representatives of the applicants. I have conducted an investigation into the facts and circumstances underlying the abandonment of the Application on December 7, 2005 due to a failure to respond to the final Office Action mailed September 7, 2005.
- 2. At the time of the abandonment, the applicants' representatives were affiliated with the law firm of Seyarth Shaw LLP ("Seyfarth"). The working file for the Application was transferred to me from Seyfarth on August 20, 2007.
- 3. Seyfarth transferred the file to me based upon instructions of Mr. Clifford Want of Harrison Goddard Foote, a law firm in London, England. Mr. Want is outside counsel for the assignee of all rights in the Application, GFI Software Ltd. ("GFI").

CERTIFICATE OF MAILING UNDER 37 CFR § 1.10: The undersigned hereby certifies that this paper is being deposited with the United States Postal Service with sufficient postage as U.S. Express Mail No. EV839409623US in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on this 7<sup>th</sup> day of December, 2007.

- 4. On our about November 20, 2006, Mr. Want had become aware of the abandonment of the Application when he examined the PTO PAIR system. Mr. Want has informed me that neither he nor GFI had intended to allow the Application to become abandoned at any time. Rather, at all times Mr. Want and GFI had desired for prosecution of the Application to continue. Mr. Want also told me that neither he nor GFI intended any delay in the filing of this petition.
- 5. I have conferred with representatives of Seyfarth regarding the facts and circumstances surrounding the failure to timely respond to the Office Action, the delay in notifying the applicants of the abandonment of the Application, and the delay in taking action for filing a petition to revive the Application. As a result of my investigation, it is my understanding that the attorney responsible for prosecuting the Application at Seyfarth, Mr. Timothy Keefer, experienced significant medical problems that prevented him from timely responding to the Office Action and that affected his ability to file a petition to revive.
- 6. I have been informed by Mr. Peter Woodford of Seyfarth that no attorney or assistant at Seyfarth intended to abandon the Application.
- 7. Attached hereto is a letter of November 15, 2007 from Mr. Woodford regarding the failure to timely respond to the Office Action and the delay in filing the petition (Ex. A).
- 8. I have been unable to speak to Mr. Keefer directly to further form my own impression of the circumstances surrounding the abandonment of the Application and the delay in filing the petition.

9. Since I accepted responsibility for this Application on August 20, 2007, neither myself nor any other attorney at McDonnell Boehnen Hulbert & Berghoff LLP intended to delay filing a petition to revive.

Respectfully submitted,

Patrick G. Gattar Reg. No. 39,682
